

American Rescue Plan (ARP)

American Rescue Plan (ARP) allocated federal funds to be given directly to eligible students in the form of emergency relief grants. These funds are statutorily required to be used to cover qualifying expenses such as any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care. As a student of Tri-State Cosmetology Institute, you are eligible to receive an emergency grant through ARP. This grant will be issued in the form of a paper check and picked up in the corporate office or mailed to the current mailing address we have on file for you. In order to receive these funds as quickly as possible, please confirm your current mailing address below and sign the acknowledgement of how these funds are to be used.
